

# Public Open House

**5:30 – 8:00 p.m.**

**Wednesday, February 4**

**Wilsonville City Hall Council Chamber  
29799 SW Town Center Loop East**

Please join us at this Open House to learn about important transportation improvements being planned at the I-5/Wilsonville Road Interchange. The meeting will provide information on an interchange area management plan being prepared by the City of Wilsonville to protect the functionality of both the Interstate highway and local street system. Additionally, information will be provided about a joint ODOT and City project to improve traffic flow and safety by modifying Wilsonville Road and the I-5 ramps near the interchange.

## Why should you attend?

Improvements and construction in this area may affect you!  
Join us to learn about:

- **The interchange area management planning process**
- **Bicycle and pedestrian improvements**
- **Opportunities for public art and aesthetic treatments**
- **Construction timelines**
- **And to provide input on how you use Wilsonville Road and the Interchange**

At this Open House, you'll have the opportunity to talk to the City, ODOT, and the project team for both the interchange management plan and the I-5/Wilsonville interchange improvements.

For more information, please contact  
Judy A. Shioishi, Community Affairs Coordinator  
Oregon Department of Transportation – (503) 731-8237
